

Year 6 Homework Menu

Our theme this half term is: Power of Change

Homework is due on: **Monday 6th February**

English	Maths	Geography- Power of Change	Other
<p>Write a description of Mount Everest using coordinating and subordinating conjunctions. E.g. Mountain Everest is very tall and it is in Asia. The snow is very thick because it is high up.</p> <p>★</p>	<p>Multiply: $453 \times 5 =$ $123 \times 7 =$ $821 \times 3 =$</p> <p>Divide: $762 \div 2 =$ $345 \div 3 =$ $5640 \div 5 =$</p> <p>★</p>	<p>To draw and label different parts of a mountain range.</p> <p>★</p>	<p>To find out how much energy different electrical appliances use and create a table with the lowest and highest energy using appliances.</p> <p>★</p>
<p>Write a diary entry as someone who lives on the side of a mountain. Explain what they might eat, what job they might have and how their day might be dangerous. Remember to include different punctuation and different conjunctions.</p> <p>★★</p>	<p>Multiply: $231 \times 45 =$ $316 \times 14 =$ $432 \times 28 =$</p> <p>Divide: $5640 \div 5 =$ $575 \div 25 =$ $360 \div 15 =$</p> <p>★★</p>	<p>To create a factfile of a famous Mountain. Write its name, location, how high it is and 5 facts about it.</p> <p>★★</p>	<p>To draw a mountain landscape using sketching and other art material.</p> <p>★★</p>
<p>To write an adventure story with 4 paragraphs where the main character has to get something magical from the top of the mountain. Remember to describe the setting, describe the character and tell me how the character gets the magical thing back. E.g. One very cold winter's day Alfie woke up to find his friendship potion was missing...</p> <p>★★★</p>	<p>Multiply: $316 \times 14 =$ $298 \times 67 =$ $1412 \times 35 =$ 6325×28</p> <p>Divide: $575 \div 25 =$ $360 \div 15 =$ $372 \div 12 =$ $5480 \div 20 =$ $7935 \div 25 =$</p> <p>★★★</p>	<p>To create an information leaflet about 3 different mountain ranges that are located in different continents.</p> <p>E.g. Mount Snowdon- UK, Europe; Mount Kilimanjaro- Tanzania-Africa...</p> <p>★★★</p>	<p>To write a report about renewable and non-renewable energy. Remember to include conjunctions and a variety of different punctuations.</p> <p>★★★</p>

Every child **must** complete at least 1x English, 1x Maths and 1x Geography activity. The children can choose which star level activity they would like to do. Children can do more than one activity from each heading and will be rewarded at the end of the half term, based on how many stars they collect. If children do not complete the minimum number of activities required, they will have to complete the activities during the reward time.
