### Martin Mere Wetland

On Tuesday, Year 3 and Year 6 enjoyed a beautiful day at Martin Mere Wetland Centre. Whilst the children were there, they looked at different birds and learnt about the importance of looking after our environment.

### Phonic Screening Meeting

On Wednesday, Mrs Muzyka held a meeting for Year 1 parents. It was an information session for parents regarding the upcoming Phonics screening assessments that Year 1 pupils will be completing during the week beginning 12th June 2023. Thank you very much to all the parents that attended the session. We appreciate all the support you provide.

### Fireground Museum

Year 2 had a fantastic day at the Fireground Museum in Rochdale. They learnt facts about the Great Fire of London. They also learnt about the job of a firefighter.

### Homework Rewards

We held our homework reward afternoon on Thursday and were delighted with the overwhelming effort made by the children to continue their learning at home. Games on the field and a visit from the ice cream van were awarded to children depending on their efforts. Well done all!

### Year 2 SATS

For the past 2 weeks, Year 2 children have been completing their SATs. We could not be any prouder of our children. They have given their very best and we cannot ask any more of them than that! Well done Year 2, you are a credit to yourselves and your families and we are so so proud of you all! We hope you enjoyed your 'end of SATs week' pizza party. You deserve it!
